

ASHTABULA COUNTY BUILDERS ASSOCIATION

May/June 2014

President's Comment

Hello friends,

In less than a month, the smell of grilled steaks and chicken will be in the air over the Elk's Lodge in Ashtabula, your very own board of directors will be using their culinary skills to prepare a delicious meal for you and your guests. The enclosed flyer has all of the details for this event. Please reserve your table either online or with Michelle for this annual event.

Friday, July 18th is the date for the 2nd annual golf outing that the Builders will have with the Ashtabula County Chamber of Commerce. Last years' outing was a huge success and by far the best outing that either organization has had in recent history. In the weeks to come we will be calling for hole sponsorships, of course you can send in your sponsorship by using the enclosed flyer. At our last meeting of the joint group organizing the outing, we were informed that a handful of teams had already registered to play. I personally will be rounding up 3 players to play on my team and calling in my group as I believe that this years outing could be sold out. If anyone should have any questions regarding this event please feel free to contact me.

Lastly, I would like to mention a few things about our last meeting, the Reverse Raffle. With the help of the Community Care Committee of Andover, the Ashtabula County Builders Association was able to collect over \$8,700.00 to be split evenly between both groups. The response in donations, spending at the event, attendance, and tickets sales is one of the best we have witnessed in all of the years that we have been holding this event. I would like to congratulate Ryan Cochran for winning the bonus ticket for buying his ticket in January or February; this ticket got him up to the main board with the other 4 finalists. I am sure he was glad that he bought his ticket early. The Community Care Committee again produced one of the finest meals that I have ever had at such of an event. In this newsletter, there is a list of companies and individuals that donated to this event. Please show your gratitude to these generous companies and individuals because without them this event would not be what it is.

Sincerely,

Bill Romano

President of the Ashtabula County Builders Association
